ELECTRIC VEHICLE CHARGING

Book it. Charge it. Move it.

1. Book a charging time in the ParkCommand portal before you plug in.
2. Park here only while charging, during your booked time.
3. Move your car when your booking ends so the next driver can charge.
4. Charging rate: _____ per _____ (plus tax). Peak hours: _____
5. Vehicles not charging or past their booking may receive a parking notice.
