VISITOR PARKING

Register your car before you park.

1. Scan the code below with your phone camera, or go to parkcommand.ca/visit and enter the Location ID.
2. Enter your plate and the unit you are visiting. Choose how long you will stay.
3. Wait for your pass by email or text before leaving your car. No app, no sign-up.
4. Unregistered vehicles may receive a parking notice or be towed at the owner's expense.

Place your building's QR code here

(in ParkCommand: Properties → your building → Visitor QR code → Print poster)

Location ID: _____
